

ICT	Spring 1 2019	Spring 2 2019	Summer 1 2019	Summer 2 2019	Autumn 1 2018	Autumn 2 2018
year 7	Virtual tour of Queensbury school using the IPad iMovie	Computational Thinking Decomposition Pattern Recognition Abstraction Algorithms	Programming the Pro-Bot Sequencing Instructions Commands Predictions	Scratch/Micro:bit	Reading testing Mop up reading tests. Create front cover for books using publisher Baseline testing for new year 7 pupils. ICT expectations File Management Keyboard skills	E-Safety Resources: Digital Literacy
year 8	Pop Band	DTP - Endangered Animals	Pivot Stick Animation	Scratch for Beginners/Intermediate	Reading testing Mop up reading tests. Create front cover for books using publisher Online safety: viruses, password security and digital footprints	I Robot - Bionics
year 9	Computation thinking	Cyberbullying and Grooming/Comic strip toondoo	Spreadsheets	Flowcharts - Flowol	Reading testing Mop up reading tests. Create front cover for books using publisher Online safety: viruses, password security and digital footprints Cyberbullying and Grooming	Understanding Computers
3B	Virtual tour of Queensbury school using the IPad iMovie	Computational Thinking Decomposition Pattern Recognition Abstraction Algorithms	Programming the Pro-Bot Sequencing Instructions Commands Predictions	Scratch/Micro:bit	Reading testing Mop up reading tests. Create front cover for books using publisher Baseline testing for new year 7 pupils. ICT expectations File Management Keyboard skills	E-Safety

year 10	<p>10R: Unit 102 - Digital Editing and Publishing 10S: Unit 1 – Improving productivity using IT Unit 10 – Presentation software 10T: Unit 1 – Improving Productivity Using IT AQA Unit Awards Scheme</p>	<p>10R: Unit 102 - Digital Editing and Publishing 10S: Entry Level 3, Unit 3 - Desktop Publishing Software Level 1, Unit 12 - Desktop Publishing Software 10T: Entry Level 2, Unit 5 - Using ICT: Safe Working Practices AQA Unit Awards Scheme</p>	<p>10R: Level 1, Unit 4 - IT Security for Users Level 2, Unit 4 - IT Security for Users 10S: Entry Level 3, Unit 3 - Desktop Publishing Software Level 1, Unit 12 - Desktop Publishing Software 10T: Entry Level 2, Unit 5 - Using ICT: Safe Working Practices AQA Unit Awards Scheme</p>	<p>10R: Unit 103 - Digital Modelling 10S: Entry Level 3, Unit 8 - IT Security for users Level 1, Unit 4 - IT Security for Users 10T: AQA Unit Awards Scheme</p>	<p>10R: Reading tests - Introduction to the course: Unit 1 – Improving productivity using IT Level 1, Unit 105 - Digital Design and Graphics 10S: Reading test - E – safety, Social Networking, Keeping your data safe, Sexting and media, Assessment 10T: Reading test, E – safety, Social Networking, Keeping your data safe, Sexting and media Assessment AQA Unit Awards Scheme</p>	<p>10R: Level 1, Unit 105 - Digital Design and Graphics 10S: Introduction to the course Unit 1 – Improving productivity using IT Unit 10 – Presentation software 10T: Unit 1 – Improving Productivity Using IT AQA Unit Awards Scheme</p>

year 11	<p>11R: Mock Exams Catch up and improving lessons. Theory/ exam preparation</p> <p>11S: Unit 1 - Improving Productivity Using IT 11T: Entry Level 2, Unit 4 - Desktop Publishing Software AQA Unit Awards Scheme</p>	<p>11R: Theory/ exam preparation Final Catch up and improving of coursework elements</p> <p>11S: Unit 1 - Improving Productivity Using IT Entry Level 3, Unit 8 - IT Security for users Level 1, Unit 4 - IT Security for Users 11T: E-Safety Social Networking Keeping your data safe Sexting and media Assessment</p>	<p>11R: Exam After exams and resits if required pupils will undertake some form of computer science programming.</p> <p>11S: AQA Unit Awards Scheme 11T: AQA Unit Awards Scheme</p>	<p>11R: Computer science - programming AQA Unit Awards Scheme 11T: AQA Unit Awards Scheme</p>	<p>11R: Reading tests, Unit 103 - Digital Modelling 11S: Reading tests, E-Safety, Social Networking, Keeping your data safe, Sexting and media, Assessment 11T: Reading Tests - Entry Level 2, Unit 10 - ICT for Employment AQA Unit Awards Scheme</p>	<p>11R: Catch up and improving lessons - Pupils will be catching up on any coursework which has been missed. Pupils will be improving coursework as required. Units covered: Unit 1 – Improving productivity using IT Unit 4 – IT Security for Users Unit 102 - Digital Editing and Publishing Unit 103 - Digital Modelling Unit 105 - Digital Design and Graphics</p> <p>11S: Catch up and improving lessons. Pupils will be catching up on any coursework which has been missed. Pupils will be improving coursework as required. Units covered: Unit 10 – Presentation Software Unit 3 – Desktop Publishing Software</p> <p>11T: Entry Level 2, Unit 4 - Desktop Publishing Software AQA Unit Awards Scheme</p>
